LOBBYING FIRM RELOCATES TO DOWNTOWN TRENTON

TRENTON, NJ – Richardson Commercial Realtors® is pleased to announce the lease of 3,686± SF of office space on the first floor at 15 West Front Street to Insight Consulting Services (ICS). The new tenant was looking to expand their firm's space and needed a nicely appointed suite in a location close to the state house. 15 West Front Street was able to meet their needs and allowed them to double the size of their office space because of the excellent rental rates, close location to the statehouse and off street parking.

“Insight Consulting Services is a full service government affairs, strategic communications and campaign consultancy firm with decades of experience in the healthcare and non-profit arenas at the local, state and federal levels,” commented Peter Lillo, Principal of ICS, “the Jasko Building not only has the space we need, but room to grow in the months and years ahead as we expand our efforts.” Michael Pratico Jr., the listing agent for the property, was happy to help a tenant expand to this downtown location. He feels it is “exciting to see the market begin to recognize this building for what it is: An attractive, nicely appointed property a stone's throw away from the statehouse. ICS will make an excellent addition to the building.”
