HAMILTON PEDIATRICS RELOCATES TO NEW OFFICE

TRENTON, NJ – Richardson Commercial Realtors® is pleased to announce the lease of 5,117± SF of recently renovated space in the RWJ University Hospital Hamilton campus to Hamilton Pediatric Associates (HPA). HPA made the move to the hospital campus to better serve their patients and to take advantage of an excellent location for a pediatric office. It's no coincidence that their arrival on the campus coincides with the opening of the pediatric emergency room at the hospital. Linda Gilbert, Practice Manager stated, "Richardson guided us through the entire process step by step. We felt we were in good hands from start to finish."

Lakeview Child Center is an affiliate of Robert Wood Johnson University Hospital Hamilton and leased the space to HPA. It opened in 1985 and operates a network of seven child care centers throughout central New Jersey. Skip Cimino, President & CEO of RWJ Hamilton commented, "Any hospital would be lucky to have Hamilton Pediatrics in their backyard. We're very fortunate to have them on our campus. The space they outfitted is well suited to serve their patient's needs."
