### **TRENTON TIMES BUILDING SOLD - OFFICES RELOCATE TO RIVERVIEW PLAZA**

TRENTON, NJ – Richardson Commercial Realtors® is pleased to announce the sale of the property located at 500 Perry Street to New Jersey Precast Corp. The property is 82,196± square feet and was formerly the headquarters of the Trenton Times, a long standing local community newspaper. New Jersey Precast plans to use the building for their business offices and for storage of building materials, such as pre cast concrete, which is used in the construction of bridges. This property is a Trenton landmark location at the interchange with Route 1 and has excellent access to infrastructure. Michael Pratico Sr., the agent for the property, was excited to find a buyer who can make use of a under utilized property in a great location in Trenton.

The Trenton Times has relocated to Riverview Plaza, the new prestigious office building that is located directly adjacent to the Mercer County Waterfront Park. They are happy to find another location in the City of Trenton that works well for their needs and still keeps the paper involved in the local Trenton community.
